Subject: Re: Michael Regan and Duke Energy

Ms. Feldmeier

Bloom may lie to you that I am a racist. They lied to the former CFO of Gillead, Ms. Robin Washington. that I am a racist. Ms. Washington repeated this lie to others at Gillead. She no longer is the CFO of Gillead.

Bloom lied to NBC bay area that I work for the Koch Brothers. Bloom got NBC to spike the HAZMAT story.

It is interesting that Vinod Khosla, a major Bloomdogger from Silly Con Valley, owns a part of GEVO. GEVO is another ecofraud. Gevo just hired Koch Project Solutions to design and build an expansion of their third rate technology.

<https://finance.yahoo.com/news/koch-project-solutions-execute-gevo-140000419.html>. Vinod Kholsla brought the world Range Fuels and KiOR, two heavy duty ecofrauds. It seems like Vinod Khosla is a friend of the Kochs.

My advice to Duke is to come clean.

Ms. Feldmeier

Here is the document I obtained under FOIA where Bloom's EHS director Sam Ghezavat admits that Bloom's Hazmat has LEAD, CHROMIUM, ARSENIC and BENZENE

Looks like Coal Ash with the addition of BENZENE.

Mr. Regan

You have some history taking on Duke Energy in North Carolina.

<https://www.southernenvironment.org/news-and-press/press-releases/statement-on-the-selection-of-michael-regan-secretary-of-the-north-carolina-department-of-environmental-quality-as-biden-administrations-epa-administrator-nominee>

Coal ash is bad. Bloom hazmat has LEAD, CHROMIUM, ARSENIC AND BENZENE.

Coal ash has similar TOXINS

<https://www.psr.org/wp-content/uploads/2018/05/coal-ash-toxics.pdf>

Coal ash commonly contains some of the earth's deadliest toxics: arsenic, lead, mercury, cadmium, chromium and selenium.

Mr. Regan I have high expectations of you to end the BLOOMDOGGLE even if Joe Biden is a part of the scam.
